Mumbai, India | +91 98765 43120 | ananya.iyer@email.com | linkedin.com/in/ananyaiyer
FP&A; ANALYST | FINANCIAL MODELLING | BUSINESS PERFORMANCE

PROFILE SUMMARY

Finance professional with 4 years of experience in budgeting, management reporting, variance analysis and business partnering. Experienced in building driver-based models and turning operational data into decision-ready insights for commercial and operations leaders.

EDUCATION

- SP Jain Institute of Management & Research, Mumbai — PGDM, Finance — 2022 — 3.5/4.0
- St. Xavier's College, Mumbai — B.Com — 2020 — 8.7/10

PROFESSIONAL EXPERIENCE

FP&A; Analyst | Vertex Consumer Products, Mumbai | Aug 2022 – Present

- Own monthly forecasting and variance analysis for 6 business units with combined annual revenue of ■420 Cr.
- Built a driver-based planning model linking volume, price, mix and gross-margin assumptions; reduced forecast preparation time from 8 days to 4 days.
- Identified ■1.8 Cr annualised cost pressure through SG&A; and procurement analysis and partnered with business owners on corrective actions.
- Automated management reporting using Power Query and Power BI, reducing recurring reporting effort by 10 hours per month.
- Prepared monthly executive packs covering revenue, EBITDA, working capital and key operating drivers.

Finance Analyst | Apex Manufacturing, Pune | Jul 2020 – Jul 2022

- Prepared monthly P&L; and working-capital schedules for 4 plants and reconciled major movements with plant controllers.
- Analysed receivables ageing and highlighted customer groups responsible for 62% of overdue balances.
- Supported annual budgeting, capex review and monthly cost-centre reporting.

SELECTED PROJECTS / CASE EVIDENCE

Working Capital Improvement Study | Excel, Power BI

- Analysed 12 months of DSO, inventory days and payable days across business units and developed a weekly cash-conversion dashboard.
- Presented 5 improvement levers to finance leadership; two were incorporated into the next quarter's action plan.
